PROJECT SUMMARY

Appalachian Regional Healthcare, Inc. (ARH) will use ARISE funding to establish a Healthier Central Appalachian Task Force (HCAT) in collaboration with 15 partners across Kentucky, Tennessee, Virginia, and West Virginia. Impacting 29 counties across four states, the task force aims to address social determinants of health in Appalachia, evaluate a mobile healthcare deployment pilot program, and outline mechanisms for improving workforce engagement.

ARH brings \$125,000 in matching funds to the project, which will produce in two reports at the end of the one-year performance period.
