PROJECT SUMMARY

Washington Greene County Job Training Agency, Inc. will use ARISE funding to form a Tri-State Consortium to strengthen the workforce capabilities of Appalachians in 40 counties across Ohio, Pennsylvania, and West Virginia. Bringing together nine local workforce development boards, this project will identify strategies to successfully remove barriers for regional employers to participate in registered apprenticeships.

Washington Greene County Job Training Agency and its partners bring \$495,250 in matching funds to this project, which will result in one strategic plan at the end of the one-year performance period.
